(Administered by St. Philip's Christian Education Foundation Ltd.)

PRIVACY AND CONFIDENTIALITY POLICY

Narnia is committed to protecting the privacy of children, families and staff. All information and documentation of a personal, private or sensitive nature will be stored securely and treated appropriately. Photographs of children will only be used with parent permission.

Introduction

Narnia will maintain private and confidential files for all educators and staff, children and their families. Narnia has systems for the appropriate use, storage and disposal of records (locked cupboards, secure electronic storage and secure shredding).

Narnia ensures the information in these files is used only for the education and care of the child enrolled in the service, and only shared with relevant or authorised people as defined within authorisations of the *Education and Care Services National Regulations*.

The Approved Provider will:

Ensure that each family, staff, volunteers and student have access to the Narnia Privacy Collection Statement upon enrolment. This includes details about how they can access their personal information, have this corrected as needed, make a complaint about a breach of privacy, if one occurs. This can be accessed on our website at www.narniapreschoolecc.com.au

- Ensure that information collected from families, educators, and the community is maintained in a private and confidential manner at all times.
- Ensure that such information is not divulged or communicated (directly or indirectly) to another person other than the ways outlined as appropriate in the *Education and Care Services National Regulations, 181*, which says information can be communicated:
 1. To the extent necessary for the education, care or medical treatment of the child;
 2. To the parent of the child to whom the information relates (except for information in staff records);
 3. To the regulatory authority or authorised officer;
 4. As authorized, permitted or required to be given by or under any act or law; and
 5. With written consent of the person who provided the information.
- Ensure families are informed upon enrolment how images/photographs of their children will be used on the internet and/or publications.
- Provide families with information on the Complaints and Feedback procedure if any privacy or confidentiality procedure has been breached. Individuals can make a complaint to the Centre Director if they believe there has been a breach of their privacy in relation to the Privacy principles. The breach will be assessed by the Centre Director within 14 days. Where the information collected is incorrect, the information will be corrected. Where a serious breach of privacy is found, appropriate actions will be negotiated between the Centre Director and the individual to resolve the situation, in line with the Complaints and Feedback procedure.
- Will ensure information provided by families and staff is only used for the purpose it was collected for.

The Nominated Supervisor will:

- Ensure each family's information is correct in enrolment records. This includes information on immunisation updates, income and financial details (credit card or bank information), contact details of family and emergency contact information, children's developmental records, Family Assistance information, and any medical or legal information - such as family court documentation – required by our education and care service. This would include any information required to be recorded under the National Law and Regulations, the Family Assistance Law and other relevant information collected to support the enrolment of a child.
- Provide families with details on the collection of personal information collected.
This information will include:
 - The types of information collected by our education and care service;
 - The purpose of collecting information;
 - What types of information will be disclosed to the public or other agencies; and when and why disclosure may occur;
 - How information is stored at the service;
 - Approaches used to keep information secure;
 - Who has access to the information;
 - The right of the individual to view their personal information;
 - The length of time information needs to be archived; and
 - How information is disposed.
 - Will ensure information provided by families and staff is only used for the purpose it was collected for.

Storage of Information

- Ensure that education and care service records, personnel records, CCS information and children's and family's information is stored securely reducing the chance of unauthorised access, use or disclosure and remains private and confidential within the education and care environment at all times.
- All centre fee records are kept in a Qikkids cloud-based filing system and are only accessible by the Approved Provider, Business Administrator,
- the respective centre Nominated Supervisors and the respective admin person in each centre.

Record keeping times:

Attendance records are kept for three (3) years at the Centre.

Medication records are kept until the child is 25 years old at the Centre.

Accident reports are kept until the child is 25 years old at the Centre.

Individual records are kept for three (3) years at the Centre.

Current records must be complete and up to date at all times.

Access to Information

- Ensure that information kept is not divulged or communicated, directly or indirectly to anyone other than:
 - Medical and developmental information that is required to adequately provide education and care for the child
 - The Department of Education and Communities, or an authorized officer; or
 - As permitted or required by any Act or Law
- Individuals will be allowed access to their personal information as requested. Individuals must request this in writing from the Nominated Supervisor. Authorised persons may request to view any information kept on the child.

- Information may be denied under the following circumstances:
 - Access to information that could compromise the privacy of another individual
 - The request for information is frivolous or vexatious; and
 - The information relates to legal issues, or there are legal reasons not to divulge the information such as in cases of custody and legal guardianship.

Educators will:

- Maintain children’s information and store documentation according to policy at all times
- Not share information about the education and care service, management information, other educators or children and families, without written permission or legislative authority.
- In keeping with the Early Childhood Australia (ECA) *Code of Ethics (2008)*, The *Education and Care Services National Regulations* and the Privacy Legislation, educators and staff employed by our education and care service bound to respect the privacy rights of children enrolled and their families; educators and staff and their families and any other persons associated with the service. Educators will sign a Confidentiality Statement as it relates to privacy and confidentiality of information.
